Ingredients

1/2 large bell pepper (sliced lengthwise), seeds and stem removed
1 large egg
1 slice (about 1 oz.) reduced-sodium ham
1 tbsp. fat-free plain Greek yogurt
1 tsp. Dijon mustard
1 tsp. light butter
1 drop lemon juice

Directions

Preheat oven to 400°F. Spray a baking sheet with nonstick spray.

Place pepper half on the baking sheet, cut side up. Bake for 20 minutes, or until tender.

Bring a skillet sprayed with nonstick spray to medium heat. Cook egg over easy, 1-2 minutes (or cook to your preference). If desired, cook ham on the opposite side of the skillet until warm.

Transfer pepper half to a plate, and top with ham and egg.

In a small microwave-safe bowl, combine yogurt, mustard, butter, and lemon juice. Mix until uniform. Microwave until hot, about 15 seconds, and stir. (If you prefer a thinner sauce, add a bit of water.) Spoon over egg.
