### Ingredients

- 1 tbsp. instant coffee granules (or 1 packet [Starbucks VIA Instant](#))
- 2 tbsp. [Tera's Whey Bourbon Vanilla Whey Protein](#) (or another vanilla protein powder with similar stats)
- 2 tsp. sugar-free French vanilla powdered creamer
- 1 packet no-calorie sweetener
- 1/8 tsp. cinnamon
- 1/2 cup unsweetened vanilla almond milk
- 1/2 tsp. [caramel extract](#) (don't have it? use vanilla extract!)
- 1 1/2 cups crushed ice (about 12 ice cubes)
- Optional topping: light whipped topping

### Directions

In a tall glass, combine coffee, protein powder, creamer, sweetener, and cinnamon. Add 1/4 cup hot water, and stir to dissolve. Add milk and caramel extract, and mix well.

Transfer mixture to a blender. Add ice, and blend at high speed until smooth, stopping and stirring if needed.

**MAKES 1 SERVING**

**HG Alternative:** Instead of blending for a frozen drink, serve over ice!
