Ingredients

1/2 cup whipped cream cheese
1/2 cup fat-free plain Greek yogurt
3 packets natural no-calorie sweetener
1 tsp. vanilla extract
1/8 tsp. salt
1 1/2 cups light whipped topping (thawed from frozen)
3/4 cup [freeze-dried blueberries](#), divided
2 graham crackers (1/2 sheet), finely crushed
Optional topping: fresh blueberries

Directions

In a large bowl, combine cream cheese, yogurt, sweetener, vanilla extract, and salt. Mix well. Add thawed whipped topping, and mix until uniform. Fold in 1/2 cup freeze-dried blueberries.

Distribute mixture among the cups of a [6-cup silicone muffin pan](#) (or 6 cups of a 12-cup muffin pan), and smooth out the tops. Top with remaining 1/4 cup freeze-dried blueberries and crushed graham crackers. Lightly press to adhere.

Lightly cover with foil and freeze until firm, at least 3 hours.

If needed, allow to thaw and soften just slightly before eating.

MAKES 6 SERVINGS

HG Tip: To ensure smooth sides, after you fill the silicone muffin pan with cheesecake mixture, give the pan a couple gentle drops on the counter until air bubbles stop rising to the top. (This is a great tip for any recipe where you're freezing a fairly thick liquid base.)
