### Ingredients

3 3/4 cups roughly chopped cauliflower or 2 3/4 cups cauliflower rice  
1 cup finely chopped kale leaves  
1 1/2 cups shredded reduced-fat cheddar cheese  
3/4 cup (about 6 large) egg whites or fat-free liquid egg substitute  
3/4 tsp. garlic powder  
3/4 tsp. onion powder  
1/4 tsp. salt  
1/8 tsp. black pepper

### Directions

Preheat oven to 350 degrees. Spray a 12-cup muffin pan with nonstick spray.

If starting with roughly chopped cauliflower, pulse in a blender until reduced to rice-sized pieces, working in batches as needed.

Place cauliflower rice and kale in a large microwave-safe bowl. Cover and microwave for 3 minutes.

Add all remaining ingredients. Stir to mix.

Evenly distribute mixture among the cups of the muffin pan. (Cups will be full.)

Bake until firm and cooked though, 23 - 25 minutes.
