### Ingredients

#### Frosting

1/2 cup light/reduced-fat cream cheese  
1/4 cup light butter  
1 tsp. vanilla extract  
1/3 cup powdered sugar

#### Cupcakes

1 3/4 cups moist-style strawberry cake mix (about half a box)  
1/2 cup fat-free plain Greek yogurt  
1/2 cup chopped [freeze-dried strawberries](#)

### Directions

Preheat oven to 350 degrees. Line a 12-cup muffin pan with baking cups, or spray it with nonstick spray.

In a large bowl, combine cream cheese, butter, and vanilla extract. With an electric mixer set to medium speed, beat until smooth, 1 - 2 minutes. Continue to beat while gradually adding powdered sugar. Beat until smooth, another 1 - 2 minutes. Cover and refrigerate.

In another large bowl, combine cake mix, yogurt, and 3/4 cup water. Whisk until smooth and uniform. Evenly distribute batter among the cups of the muffin pan.

Bake until a toothpick inserted into the center of a cupcake comes out clean, 16 - 18 minutes.

Let cool completely, about 10 minutes in the pan and 25 minutes out of the pan.

Top with frosting and freeze-dried strawberries.
