## Ingredients

- 2 1/2 tbsp. light/reduced-fat cream cheese
- 2 tbsp. light/low-fat ricotta cheese
- 1 packet natural no-calorie sweetener
- 1/4 tsp. vanilla extract
- 1 dash cinnamon
- 1/2 cup self-rising flour
- 1/2 cup fat-free plain Greek yogurt
- 1/4 cup chopped freeze-dried strawberries
- Optional topping: powdered sugar

## Directions

Preheat oven to 450°F. Spray a baking sheet with nonstick spray.

In a medium bowl, combine cream cheese, ricotta, sweetener, vanilla extract, and cinnamon. Mix until smooth and uniform.

In a large bowl, mix flour with yogurt until dough forms. Evenly roll it out into 2 squares, each about 6" X 6". Place on the baking sheet.

Spread cheese mixture over one half of each square, leaving a 1/2" border, and top with strawberries. Fold the other halves over the mixture, and firmly press edges with a fork to seal.

Spray with nonstick spray. Bake until light golden brown and cooked through, 10-12 minutes.
