Ingredients

3 tbsp. pasteurized liquid egg whites (like Egg Beaters 100% Real Egg Whites)
1 tbsp. natural no-calorie sweetener that measures like sugar
1 tsp. or 1 packet [matcha green tea powder](#)
1/2 packet of strawberry sugar-free powdered drink mix (like [the kind by Crush](#))
1 cup unsweetened vanilla almond milk
1/4 cup freeze-dried strawberries, crushed, divided
Optional: 1 dash citric acid

Directions

In a medium bowl, beat egg whites with [a hand mixer](#) on high until frothy, about 3 minutes. Add sweetener, and continue to beat for 1 minute.

Add matcha powder, and beat until mixture is very thick and high peaks have formed, 1-2 minutes.

Pour the drink mix (just half a packet) into a tall glass. For some tart flavor, add optional citric acid. Add almond milk, and stir to dissolve. Stir in 3/4 of the crushed strawberries.

Add ice to the glass. Top with the frothy matcha mixture and remaining crushed strawberries.
